

Westchester IV Home Theater System

A streamlined Custom Install home theater that gives you exactly what you need to enjoy all your favorite programming. Combines our rack mountable A/V processor and amplifiers with our in-wall and in-ceiling speakers to deliver legendary McIntosh home theater performance that is heard but not necessarily seen.

Qty	Model	Description
1	MX200	A/V Processor
1	MI347	7-Channel Amplifier
1	MI254	4-Channel Amplifier
